Our latest edition to the 'boy power' at Simeon Stud is the 16-year-old stallion, Muhayl Ibn Maareesa. Straight Egyptian, as are all the horses at Simeon, Muhayl Ibn Maareesa was recently imported from Germany. His sire, Ansata Amir Zaman, combines the wonderful horses Ansata Ibn Sudan and Bukra, while his dam, Maareesa (by Montasar), combines the horses I most love in a pedigree; Hadban Enzahi, Ghazal, Morafic and one of the most beautiful mares I have ever seen, Maymoonah.

This gentle stallion will join the three German mares that have also been recently imported: his exotic daughter CM Moussameh and two Montasar daughters, El Dahma and Mussallah. El Dahma goes back to Farazdac, while Mussallah is the result of a brother-sister breeding. These two Montasar daughters have both been bred to Simeon Shifran.

At 26 years of age, Anaza Bay Shahh (Shaikh Al Badi x Bint Deenaa) is happily still breeding. As we are just beginning our 2011 foaling season he has just sired an amazing colt. Our six-year-old champion stallion Immesmerize (Imtaarif x Bint Mareekh Amir) has a lovely filly from Simeon Sibolet and is expecting a foal from her daughter, Simeon Sumaq.

Simeon Shifran and Simeon Sahron are our two homebred three-year-old colts. Simeon Shifran (Asfour x Simeon Shavit) has already sired a gorgeous black filly and another filly in Maryland, USA. Simeon Sahron (Imperial Madaar), who is out of Simeon Setavi, a daughter of the champion black stallion Simeon Sadik, has sired two fillies and a charming colt. While both fillies are being retained, the colt, who is out of champion mare Simeon Shiraz, will be available for sale.

We have waiting in the wings a fantastic, big, bay, long-necked, moving machine of a colt! He is by the exotic international and Australian Champion Stallion Simeon Sadik and out of our grey Tammen daughter MB Sahamenna, who goes back to Alaa El Din through her dam line. Also gracing our pastures is the two year old colt, Simeon Savotiri; he by our beloved Asfour and out of the Anaza Bay Shahh daughter, Simeon Shavit.

When Asfour died, I was so devastated that I kept all of his colts. Now that I have a 'collection', some can go to new homes. Simeon Sadakah, an Asfour colt from our matriarch Asfour daughter Simeon Saada, is just beautiful to watch. Simeon Simie, again by Asfour but this time out of Simeon Seda, is a full brother to champion mare Simeon Se.

We also have two young colts from the recently deceased Imperial Madaar that show great promise, one from Simeon Safran and the other from Simeon Salit, the full sister to Simeon Shifran.

Foaling has started Down Under, with 4 of the six foals and a superb colt from Simeon Sabaya another mare line. — the exceptional brood mare, Simeon Seda, the imported MB Sahammena and our maiden mare, Simeon Sephard — we have foaled out three absolutely gorgeous fillies. All three have very exotic faces, huge, low-set eyes, long necks and lots of leg. Simeon Shifran will be a sire of distinction.

At Simeon Stud, our boy power, past, present and future, is truly great! We are blessed.

STOP PRESS! Simeon Saadia (Imperial Madaar x Simeon Saada by Asfour) just gave us an amazing colt by Anaza Bay Shahh. This colt already has full siblings in the USA and Vietnam.
