Simeon Stud's foaling season is nearing a close for 2011. We have had 3 very nice colts born this season. The first is a colt by Anaza Bay Shabb and out of Simeon Saadia (Imperial Madaar x Simeon Saada by Asfour). We also have a Colt by Imperial Madaar and out of our exotic Simeon Sepharad (Asfour x Simeon Saada by Asfour). These two colts will remain at Simeon Stud. We also have the first colt by our young Asfour son Simeon Shifran and out of Simeon Sabaya (Anaza Bay Shabb x Simeon Sibolet by Asfour). This colt is liver chestnut and traces back to the superb race horse Ramses Fayek.

Simeon Shifran has surpassed our expectations as a sire. He started off with a tall black beauty out of Simeon Shatkin and has also produced fillies out of Simeon Sepharad, MB Sahammena (Tammen x Egyptian Sapphire) and Simeon Seda (MB Talmaar x Raffaala by Dahul). We are still waiting on 2 additional foals from Shifran out of the new Montasar daughters Mussallah and El Dahma.

We also have an exquisite Imperial Madaar filly out of Simeon Sepharad and are eagerly awaiting an Imperial Madaar out of Simeon Salome (Asfour X Simeon Safanad by Sankt Georg).

Rounding out the 2011 foals is a lovely filly by Simeon Sabron (Imperial Madaar x Simeon Setavi by Simeon Sadik) out of Simeon Samra (Asfor x Simeon Shavit by Anaza Bay Shabb), and the long awaited Immesmerize foal out of Simeon Sumaq (MB Mayal x Simeon Sibolet).

We have been truly blessed this year. □
