The Egyptian Event Europe – known as one of the best shows for Straight Egyptian horses in the World. The quality is high and horses from all over the world are competing. At Pietersheim Castle in Lanaken, Belgium, The Oben family is organizing this Egyptian Event on behalf of the Pyramid Society Europe for already many years. The showground is large with a big arena, a nicely set up VIP area and a little 'village' where you can shop for Arabian show halters, painting and much more.

Judges for this event were Mr. Ali Al Sharaawi – Egypt, Mr. Gianmarco Aragno – Italy, Mr. Peter Gamlin – UK, Mrs. Renata Schibler – CH, Mrs. Claudia Darius – Germany.

The show started with on Saturday. The weather was not as we would like to see at such a prestigious event but the quality of horses made up for everything.

The three years old colts were the first to enter. Winner was the ZT Farid (Anaza el Farid x ZT Fardiyyah) – bred

by Zichy Thyssen and owned by Hanaya Arabians from Switzerland. I have seen this colt grow up over the years and find him much more matured now. He developed himself nicely with a beautiful expression that changed from colt to stallion. With a total of 92.14 points he was not only placed first in his class, but also won the Silver medal in the final colt championships. Second in this class with 90.79 points was the typy PSE Atlanta (Nader al Jamal x Imperial Baarezah) – bred and owned by Prestige Straight Egyptians from Belgium.

Next to go was the class of the two years old colts. Here the victory went with 92.21 points to an Egyptian entry; Bebars el Farida (Imperial Baarez x Salma) – bred and owned by El Farida Stud. Later in the championships, this beautiful colt took the Gold medal. Second in this class with a total of 90.50 points was Fräsera Nesbar (Fräsera Mashar x Fräsera bint Nefisa) – bred and owned by La Fräsera from Italy.
