The 5th World Straight Egyptian Arabian Horse Show was held in Vermezzo (Italy) on 14th and 15th October 2017.

The World Straight Egyptian Championship is always in the show calendar as one of the most important appointments of the year. The perfect location of Centro Ippico in Vermezzo hosted also this year this event dedicated to the straight Egyptian Arabian horses. The place is simply amazing, 5 stars boxes, perfect ring and organization, vip helicopters for the judges, luxury scenery: this was the show offered by the organizing committee. As the organizing committee told in its message in the show catalogue the number of the straight Egyptian Arabian horses is about 4% of the total number of the Arabian horses in the world. Even if there is a small amount of breeders of this line, they are capable of great passion and professionalism in maintaining these ancient and important bloodlines handed down to us through the centuries. The show has the goal to bring the breeders to show their beautiful horses and to exhibit their abilities, and to connect all the fans.

The show edition was improved thanks to the addition to the committee of 2 specialists of the show organization: Mrs. Christiane Chazel and Mrs. Dominik Briot.

The event was perfectly organized by Barbara Morali and Morali & C. Thanks to the participation in managing the event of Ms. Nicole Berlusconi who spends a lot of her time and efforts to improve the horse life conditions all over.

Thanks to the live streaming that let the people not present at the show appreciate the greatness of the horses showed.

Unfortunately the number of horses was not huge and hopefully next year the organizer will have more entries.

This show is the most important Straight Egyptian event in the world, peerless in Italy for the importance of the VIP area, perfectly managed, and the perfection in service. Many VIP guests participated in the show, also people from outside the Arabian horse world like Mr. Paolo Berlusconi. Hopefully in the future some of them will fall in love with those great creatures and become a new breeder.
