ARABIAN HORSE SHOW

CHAMPIONSHIP

by Giorgia Mauri ■ photos by Paola Drera

The World Straight Egyptian Championship is always in the show calendar as one of the most important appointments of the year. The perfect location of Centro Ippico in Vermezzo hosted also this year this event dedicated to the straight Egyptian Arabian horses. The place is simply amazing, 5 stars boxes, perfect ring and organization, vip helicopters for the judges, luxury scenery: this was the show offered by the organizing committee. As the organizing committee told in its message in the show catalogue the number of the straight Egyptian Arabian horses is about 4% of the total number of the Arabian horses in the world. Even if there is a small amount of breeders of this line, they are capable of great passion and professionalism in maintaining these ancient and important bloodlines handed down to us through the centuries. The show reached its goal to bring the breeders to show their beautiful horses and to exhibit their abilities, and to connect all the fans.

The event was perfectly organized by Special Event Srl and Barbara Morali and Morali & C. The main sponsor of the event was Harry Winston the jeweler who transformed diamonds into art and revolutionized the modern jewelry and watch design since 1932. A masterpiece collection was exposed in the show VIP area and a copy of the HW's New York showroom was replaced inside the covered arena. There 2 extraordinary diamonds (25 and 13 cr) were exhibited together with some special pieces of fine diamonds jewels and watches.

Many VIP guests participated in the show, also people from outside the Arabian horse world. Hopefully in the

future some of them will fall in love with these great creatures and become new breeders.

The Straight Egyptian Arabian Horse World Championship is a smart-set event where managers and owners can chat to each other like in a social gathering. Respect and admiration are the most shared feelings, as it should be in competitions like this.

Many breeders from worldwide participated at the event and many special trophies were created to give chance to more breeders to win a trophy.

After just 2 years of investment of time and efforts, Mrs. Christianne Chazel and Mrs. Dominik Briot as Show Consultant already managed a perfect show, the best nowadays for Straight Egyptian Arabian Horses.

We are sure that now everybody noticed this event and next edition will have even more entries. This show is the most important Straight Egyptian event in the world, peerless in Italy for the importance of the VIP area, perfectly managed, and the perfection in service.

There are not too many events dedicated to straight Egyptian Arabian horses so we encourage breeders to come to the World Straight Egyptian Championship in Vermezzo, an event that can not be missed.

Thanks to the live streaming by Arabian Essence that let the people not present at the show appreciate the greatness of the horses showed.

Here below enjoy the pictures by Paola Drera from the stunning days in Milano with all the results, medalists and special trophies and the nice entertainment organized by Morali & C. □
