Milan CHAMPIONSHIP

The World Straight Egyptian Championship is always in the show calendar as one of the most important appointments of the year. The perfect location of Centro Ippico in Vermezzo hosted also this year the event dedicated to the Straight Egyptian Arabian horses. The event was very well promoted in all specialized magazines and also in national TV and press. Tutto Arabi and Desert Heritage were proud to be Media Partners of the event again this year. The World Straight Egyptian Event arrived this year to its 7th edition. After a start in Rome the event was moved to Vermezzo, a perfect location to host this special event.

Amazing coreography and a fantastic atmosphere were offered to the guests.

The place is simply amazing, 5 stars boxes, perfect ring and organization, VIP helicopters for the judges, luxury scenery: this was the show offered by the Organizing Committee. As the Organizing Committee told in its message in the show catalogue the number of the Straight Egyptian Arabian horses is about 4% of the total number of the Arabian horses in the world. Even if there is a small amount of breeders of this line, they are capable of great passion and professionalism in maintaining these ancient and important bloodlines handed down to us through the centuries. The show reached its goal to bring the breeders to show their beautiful horses and to exhibit their abilities, and to connect all the fans.

The event was perfectly organized by Special Event Srl and Barbara Morali and Morali & C. who was the main sponsor of the event.

Many VIP guests participated in the show, also people from outside the Arabian horse world. Hopefully in the future some of them will fall in love with these great creatures and become new breeders.

The Straight Egyptian Arabian Horse World Championship is a smart-set event where managers and owners can chat to each other like in a social gathering. Respect and admiration are the most shared feelings, as it should be in competitions like this.

Many breeders from worldwide participated in the event and the special trophies were created to give chance to more breeders to win a trophy.

In the last years the Organizing Committee hired Christianne Chazel and Dominik Briot to let the event go into higher level. After just 4 years of investment of time and efforts, Mrs. Christianne Chazel and Mrs. Dominik Briot as the Show Consultants already managed a perfect show, the best nowadays for Straight Egyptian Arabian horses. The VIP area was full of guests from worldwide with a special presence of an icon as Mrs Judith Forbis this year.

The quality of the horses was simply unbelievable, in every class the fight was as a World Championship of Straight Egyptian deserved.

We are sure that now everybody noticed this event and next edition will have even more entries. This show is the most important Straight Egyptian event in the world, peerless in Italy for the importance of the VIP area, perfectly managed, and the perfection in service.

There are not too many events dedicated to straight Egyptian Arabian horses so we encourage breeders to come to the World Straight Egyptian Championship in Vermezzo next year, an event that can not be missed.

Here below enjoy the pictures by Alessio Azzali from the stunning days in Milano with all the results, medalists and special trophies and the nice entertainment organized by Barbara Morali and Morali & C. □
