The second edition of Turath Straight Egyptian Championship, a specific origin show for about hundred straight Egyptian Arabian horses, was held on 10th – 12th June 2021 in Ahmed Orabi Club, a nice place not far from Cairo city center. Organizaizer was C.A.D.S.E.A.H. and it's chairman Mr. Mohamed Abdelrahman Amin. The exclusive location provided an unusual touch, with a beautiful space of grass and an elegant VIP area. The friendly atmosphere and the excellent organisation made of this a very nice show where different farms could confront each other bringing their most beautiful horses! The judge panel was composed by: Mr Francesco Santoro (Italy), Mr Cristian Moschini (Italy), Mr Tomasz Tarczynski (Poland), Mrs. Paula Bohmer (Netherlands) and the probation judge Mrs.

Maha Othman Nour (Egypt). The ring master was Dr. Mohamed Mohsen. The disciplinary committee was composed by: Dr Islam El-Mahady (Egypt), Dr. Noora Faawzy (Egypt), Dr. Islam Gamal (Egypt) and the Announcer was Mr. Abdullah Al Barmaky (Kuwait). Photographer was Ms Sunita Sassudelli (Italy).

In order to avoid the hottest hours on all three days the show started at 4 pm: on the first day all the female categories took place, on the second day all the males paraded, finally the last day included the 4 championships and the most classic head for females and males. The first two horses in each category were eligible for championship , and the first three in each class were awarded also with prize money: 1° place 10.000 EGP, 2° place 7.000 EGP and 3° place 5.000 EGP.

The most successful farm was Rabab stud, which won two championships, the filly championship with the very elegant Malak Rabab and the mare championship with the beautiful broodmare Dalaa Rabab. Al Farida won the colt championship with the beautiful Mourad El Farida. The fantastic stallion who won the stallion championship was Farid Kheir owned by Al Hawajer Stud. This unforgettable show ended with great celebrations!.
