STRAIGHT EGYPTIAN WORLD CHAMPIONSHIP

The most important breeders of Egyptian Arabians in the world met in Vermezzo, close to Milan, for the ninth edition of the Straight Egyptian World Championship.

An event that over the years has improved its standards thanks to the experience put together by an excellent group of organizers and consultants who have dedicated all their efforts to the increasing success of this spectacular event.

In particular Barbara Morali and her family who have made available the magnificent location and have attracted the attention of all the most important national media, Mediaset,

Sky, Quattroruote, the specialized press, Tutto Arabi and Desert Heritage which were exclusive mediapartners of the event, and many well-known luxury brands, Samsung Italy, Zagato, Pagani (whose founder Mr Horacio Pagani personally participated in the opening of the event), OroeOro jewels, who strongly wanted to be present at the World Championship of the purest bloodline of the most beautiful horses in the world: the Straight Egyptians.

The reconfirmed presence of Mrs. Christianne Chazel and Mrs. Dominik Briot as Show Consultants made it possible to bring the Egyptian World Championship to its highest level of perfection ever.

STRAIGHT EGYPTIAN WORLD CHAMPIONSHIP

STRAIGHT EGYPTIAN WORLD CHAMPIONSHIP

The Straight Egyptian World Championship is not only the most important event in the world today for Straight Egyptian horses but has become a format that could easily inspire many show organizers to give their all in terms of elegance and media coverage. It reached its goal to bring the breeders to show their beautiful horses and to exhibit their abilities, and to connect all the fans. Definitely an event that can not be missed.

Even if there is a small amount of breeders of this line in the world, they are capable of great passion and professionalism in maintaining these ancient and important bloodlines handed down to us through the centuries. All the most important breeders in the world were present, many of them are important Arabian families coming from Bahrain, Oman, Qatar and the United Arab Emirates (and don't forget Italy because many of them come from our country) who dedicate to this pure breed all the attention necessary to make it reach the highest level of expression of its potential.

This year a brand new stud was present, Doha Stud owned by Sh. Thani Bin Hamad Bin Khalifa Al-Thani, which has just started its path in the Straight Egyptian breeding already reaching great results winning the Gold medal with Al Aalia Al Waab in the Yearling Filly Championship who was also Best Female in Show, the Silver and Bronze medal

with Ameera Al Waab and Najdiyah Elalya in the Junior Filly Championship, the Gold medal again with Ghazaal Al Waab in the Yearling Colt Championship. Medals also to Mr. Nasser Abdulla N A Al Mansouri (Qatar), Al Rayyan Farm (Qatar), Prisco Donato (Italy), Arabians Ariela (Israel), Al Wajba Stud (Qatar), Al Watan Stud (Saudi Arabia), Saef Mohammed Al Hajri (Qatar), Al Hindal Stud (UAE), Al Obaid Stud (Kuwait) and the Royal Cavalry of Oman.

The two days of the show were preceded by a very important event, sponsored by Samsung Italia, Neven and Morali & C., in an exceptional location in the center of Milan, the Palazzo dell'Informazione. In a magnificent hall on the seventh floor of the building, where it was possible to admire the extraordinary beauty of a giant mosaic by Mario Sironi, Barbara Morali and her family, their sponsors and the television welcomed the most important Arabian breeders before opening the curtain the following morning on the Straight Egyptian World Championship.

The Gala event was focusing on luxurious high-end and innovation technologies developed by Neven, to bring closer the farms and the beloved Straight Egyptian horses to their owners, with an innovative new system to enhance the importance of the horses themselves.

This year even more than others the quality of the horses was remarkable, in every class the fight was as a World Championship of Straight Egyptian deserved. Almost 80 horses registered this year that have left in every category all present, breeders and not, open-mouthed for their magnificence and grace.

The reigning world champion, Naseem Al Rashediah, was the protagonist of a special presentation accompanied by the music of a violin and the expert hands of Giacomo Capacci. Naseem has brought his magnificent beauty in the ring of Vermezzo once again, to remark his excellence and to tell once again to the world, under the look full of pride of his owner and breeder, how much a Straight Egyptian can reach the top in terms of beauty and prestige. This year Naseem did not participate in the world championship but some of his sons have paraded and won medals, further confirming his genetics.

The SEWC is the most important Straight Egyptian event in the world, peerless in Italy for the importance of the VIP area, perfectly managed, and the perfection in service.

There are not too many events dedicated to straight Egyptian Arabian horses so we encourage breeders to come to the World Straight Egyptian Championship in Vermezzo next year.

NASEEM AL RASHEDIAH

Presentation

ph. Simone Bergamaschi

This year's Straight Egyptian World Championship in Vermezzo was also the setting for an important chapter in the history of Al Rashediah Stud. The reigning two times Straight Egyptian World Champion at SEWC, Naseem Al Rashediah, bred by the stud in 2014 from Al Adeed Al Shaqab x Nabaweyyah Ezzanam, was the protagonist

of a special presentation thought and designed by Mr. Rashed Al Jasmi. In the hands of Giacomo Capacci, his trainer and historical handler, and accompanied by the music of Alessandra Montagnani's violin live in the ring, Naseem Al Rashediah made his entrance literally dancing, bringing his grace and refinement once again in

front of the admiring glances of all those present. Once again, his magnificent beauty became the narration of an extraordinary morphological excellence that goes beyond the belonging of this example to the Straight Egyptian bloodline, making him a universal model and a world champion destined to remain and to mark indelibly and forever the history of the Arabian horse.

Some of his offspring were shown and won medals at the Straight Egyptian World Championship 2021 this year, further confirming his ability to pass on the distinctive traits of his genetic component. Naseem Al Rashediah continues to win even with his own offspring and his story continues his tale: that of an outstanding Straight Egyptian champion, an innovator, a myth. □
