In our many journeys that we take to be able to see and admire the unique beauty of arabian horses, every visit to the Kingdom of Saudi Arabia astonishes us. It's the place where tradition, rich arabic culture and modernity come together in perfect balance. Bearing that in mind, we were most delighted to attend the Straight Egyptian Show The Kingdom Arabian Horse Festival for Straight Egyptians (Kuhailah) was held from 25th to 26th of May 2022 . The show took place in the Riyadh Front Exhibition and Conference Center, which is also known as the Kingdom's largest exhibition and conference center, and to be honest a perfect place to stage these successful events. The show was affiliated by ECAHO and professionally supervised by King Abdulaziz Arabian Horse Center in Riyadh. We look forward to see and enjoy this show in the future and highly recommend it to all arabian horses enthusiasts from all over the world.
