Sometimes life forces us to make tough choices. And sometimes, when we are very, very lucky, life offers us the possibility to go back and change those choices.

This happened to me when I made the decision to sell some of my best Straight Egyptian mares. It took me only moments to realize the mistake I made, and years to regret it.

Luckily, this is not a sad story, but a happy one.

Over the years, I developed a true friendship with the buyer of one of my favorite mares: Massimiliano Vitale and Silvia Bulli of AMRA ARABIANS.

He realized how much it pained me to have sold my beautiful mare - my beautiful white rose! - Fhara Diba Le Soleil (Pharos x Alfabia Nile Queen) and offered me a cooperation with his stud.

Alfabia Nile Queen

Her mother, Alfabia Nile Queen, is a daughter of Teymur B and Asra Ganya. Her dam line leads to the Kuhailan Rodan strain of the Bint Rissala family so it is no wonder that Alfabia Nile Queen now is a foundation mare at Salayel Stud in Saudi Arabia owned by Sheikh Khaled Al Ghatani, where she has already produced some wonderful foals sired by different stallions.

Fhara Diba Le Soleil is an amazing daughter of Phaaros, the supreme champion of the Egyptian Event - Kentucky 2015. Phaaros is known for being a high quality stallion, leased for 2016 to the renowned Al Rayyan Farm in Qatar. For years, his daughters have been acknowledged as stunning broodmares with classic and extreme elegance. Fhara Diba Le Soleil is no exception.

Fhara Diba Le Salel

Amra Sharifa by Ajmal Maghreb

Amra Safiyah by Ajmal Maghreb

Fhara Diba Le Soleil is a spectacular broodmare, who has passed her classic and exotic character, perfect body and breath-taking movements to her progeny.

Her first two daughters, sired by Ajmal Maghreb (Ansata Hejazi x Ajmal Maghrebeia by Salaa El Dine), are both very typy with great show attitude.

Her last daughter is a wonderful filly sired by Sabeh Al Saliyah-born from the cooperation and friendship of our two farms-that gave the filly the name of AMRA AYDA LE SOLEIL.

Amra Ayda Le Soleil

AMRA AYDA LE SOLEIL has the strong body structure and attitude which are typical of the Kuhaylan lines, but also the type of her father Sabeh Al Saliyah, reserve Champion of the Egyptian Event 2015 held the United States, second only to her grandfather Phaaros.

Is there a better way to celebrate such important show achievements, than creating a filly that carries the best qualities of both stallions? That is the description of AMRA AYDA LE SOLEIL.

For 2017 Fhara Diba Le Soleil is in foal to another stallion, not only a champion but also father of champions - SHAMEKH AL DANAT.

I wish to express once more my gratitude to Mr. Mohammad Al Omar. Hopefully our next AMRA-LE SOLEIL foal will do justice to the name of its father.
